

CLARINETTISTS WANTED!

**BECOME PART OF THE WORLD'S
LARGEST CLARINET ENSEMBLE!**

The Norddeutsche Klarinetten- und Buffet Crampon and W. Schreiber Clarinettes warmly welcome you to a very special Clarinet Festival in the Hanseatic City of Bremen from October 3rd to 6th. Like the Bremen Town Musicians, who once found their very own melody, we invite hundreds of clarinetists from all over Germany and Europe to come together in the impressive facilities of the University of the Arts Bremen to celebrate the 20th anniversary of the Norddeutsche Klarinetten- und Buffet Crampon and W. Schreiber Clarinettes. Discover an attractive program with instructors from all over Europe and experience inspiring courses, workshops, master classes, and unique ensemble experiences. **We are proud to announce that on the 5th of October, we invite you to be a part of "The largest clarinet ensemble in the world."** We are hosting an official Guinness World Records attempt.

BETTER TOGETHER

Invite your friends and spend a wonderful time in the Hanseatic City of Bremen. In addition to the city's cultural and tourist attractions, we offer an excellent program with courses, workshops, and master classes at our clarinet festival. Renowned clarinetist Nicolas Baldeyrou and Buffet Crampon Artist Arkadiusz Adamski will both be conducting master classes. You can also take part in the „Yoga for Musicians“ course to benefit your body and mind, or receive personalized instruction from our instructors. If you need more information, don't hesitate to contact us.
